Certificate

Patent No. 7,212,937 B2

Patented: May 1, 2007

On petition requesting issuance of a certificate for correction of inventorship pursuant to 35 U.S.C. 256, it has been found that the above identified patent, through error and without any deceptive intent, improperly sets forth the inventorship.

Accordingly, it is hereby certified that the correct inventorship of this patent is: Harri Friberg, Buchs (CH); and Jakob Däscher, Buchs (CH).

Signed and Sealed this Twentieth Day of May 2008.
